Claims and Eligibility

An overview of options and resources that may help you maximize administrative efficiencies in your office. This section is designed to follow the claim cycle — from the moment a Blue Cross and Blue Shield of Montana (BCBSMT) member walks into your office, through processing and payment for covered services you provide.

Clinical Resources

The BCBSMT Quality Improvement (QI) Program is based on a view that the process for delivery of medical care and services can be continuously improved. The purpose of the QI program is to provide the necessary focus and structure to identify, monitor and evaluate clinical and service improvement opportunities.

BCBSMT operates the Medical Management Department to ensure our members receive the right care at the right time, right place and at the right price. Our programs are designed to promote the optimal use of health care resources to improve health care outcomes. Medical Management reviews medical appropriateness and provides authorization for clinical services.

Find resources regarding QI and Medical Management Programs.

Confused about where to go for answers?

Finding the right contact may save you time. Sometimes it's easy to know where to go for assistance. At other times, it's less clear. Use this reference guide to help guide you to the best point of contact for your answer.

bcbsmt.com/provider/network-participation/contact-us

ClaimsXten is a software owned by McKesson, an independent company that provides claim management services for BCBSMT.

Blue Cross and Blue Shield of Montana has contracted with eviCore healthcare (eviCore), an independent specialty medical benefits management company, to provide preauthorization for expanded outpatient and specialty utilization management.

Checking eligibility and benefits and/or obtaining preauthorization/pre-notification for a service is not a guarantee of payment of benefits. Payment of benefits is subject to several factors, including, but not limited to, eligibility at the time of service, payment of premiums/contributions, amounts allowable for services, supporting medical documentation, and other terms, conditions, limitations, and exclusions set forth in the member's policy certificate and/or benefits booklet and/or summary plan description. Regardless of any preauthorization or benefit determination, the final decision regarding any treatment or service is between the patient and their health care provider. If you have any questions, please call the number on the member's BCBSMT ID card.

iExchange is a trademark of Medecision, Inc., a separate company that provides collaborative health care management solutions for payers and providers. BCBSMT makes no endorsement, representations or warranties regarding any products or services provided by third party vendors such as Medecision.

Blue Cross®, Blue Shield® and the Cross and Shield Symbols are registered service marks of the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans.

Blue Cross and Blue Shield of Montana, a Division of Health Care Service Corporation, a Mutual Legal Reserve Company, an Independent Licensee of the Blue Cross and Blue Shield Association
